RIP Bob Wilcox, Please see edit in first post

It is with great sadness that I post the passing of Bob Wilcox of West Friendship, MD. He was a great friend and will be greatly missed. Bob also frequented Chevell-A'Bration, being one of a few that attended EVERY ONE of them.

Details are forthcoming. Please keep his family in your prayers.

Re: RIP Bob Wilcox

Terrible news! My heart goes out to Deb and the rest his family. The Chevelle world just suffered a huge loss. I had the honor of having Bob judge my 68 this year and he had quite a few kind words written about my car to me on the judging sheet. One of the things he wrote (In big letters) "Great Job! Just needs to be enjoyed now!" I will do just that Bob!!! No one enjoys their car as much as Bob did!!! God Speed to the "Speedy Rat".

 **Re: RIP Bob Wilcox**

My condolences to Bob's family. Just this year at the Nashville stop on Power Tour Dave Morrow and I spent quite a bit of time talking to Bob who was making plans to retire at least part time and move to Deland Florida. We exchanged contact info and talked about getting a Central Florida Chevelle club started. Truly a loss to the Chevelle community.

 **Re: RIP Bob Wilcox**

This is terribly sad news. I first met Bob at the 1985 NCOA Chevelle Showdown in Warren, Michigan. We both had the same cars back then that we brought to CB 2011. He told me this last June that he had driven that red 68 SS 350,000 "easy" miles. This is a loss in the car guy world.

A sad loss for sure. Most of you probably don't know that is was Bob that held the MCC together thru the lean years. He was the prez when no one else wanted it, the newsletter editor and whatever else was needed to keep the club going. We were fortunate that he took the time and energy to do these things. We finally turned the corner and got a few new members and things have looked better for a good while.

RIP Bob.

Re: RIP Bob Wilcox

Great pic of Bob, Bill. Thanks for posting that up. Got the email from Debbie this morning early, just as we got ready to head out the door for the ACES Regional in Olathe, KS. Got a quick response back to her, then had to head out. My phone has lit up the whole way over here as friends called with the news. The number of calls and posts here show just how many folks were touched by Bob. He always greeted me with his enthusiastic demeanor and a warm handshake followed by an exuberant hug. I'm a hugger, too, so I especially appreciated the fact that Bob was uninhibited by such an open display of friendship and affection.... between a couple of guys! I'll miss Bob, his hugs, and the conversations. Godspeed, Bob, and God's blessings on Debbie and all those who love Bob.

Re: RIP Bob Wilcox

Very sad news, this is sad....

You know, I was supposed to study for a test for tomorrow's night class but for some reason I decided to sign in and check e-mail after a few days of not looking...now I know why.

We've known Bob since 1990 beginning with the NCOA club, following thru with him and the family into other clubs including the Maryland Chevelle Club, ACES and the CanAm Chevelle Club. I couldn't have asked for a better friendship than Bob. Bob's heart was big block all the way...always there, always a friend and always had the time to stop and talk, hang out, go out to eat or just talk. Of course there was always the ride of your life in the 68...after a while which I learned to wear two pair of underwear! I remember always stopping in at Woody's Crab house as a cap to the MCC show every year with Bob and Debbie before heading back home to our place in NJ. This is a loss for sure.

Debbie, I know we are not around the corner, but if there is anything we can do, please contact us.

To the family, we are all deeply saddened here at our home over this news. Our deepest thoughts and prayers go out to all of you through this hard time.

Re: RIP Bob Wilcox

It is just great to see some of the pictures and videos you guys have been posting – well done.

Further to my earlier post, I'm going to make my own little tribute to Bob here. As Duke mentioned previously, Bob was a regular at our CanAm Chevelle Shows in Niagara Falls. At our 2005 event the weather was absolutely scorching hot. A few weeks earlier Bob apparently had a little mishap at the track and needed to replace the right [fender](#). If I recall it was painted just a short time prior to this event. The still picture (first image) will have an explanation in the video. I picked on Bob a little during this presentation, but it was all taken in good fun. For those of you that don't know, Bob is in the Red shirt. I will miss you Bob.

Over the years, I interacted with Bob in so many ways. We were Both Chevelle club Chapter presidents. We were both heavily involved in the judging of Chevelles, as Bob was a very important member of our NCOA judging team. As the NCOA Senior Judge, what an asset it was to send a [quality](#), knowledgeable, thoughtful person like him out to score someone's car. There sure were not many like him. We were both fellow 68 Chevelle nuts. We liked them all, but I think always most gravitated to the underdog 68's. Thank you Bob, for all you did for the Chevelle hobby, and I will always cherish the time we spent together. You most certainly will be missed. Cheri and I send our condolences to Debbie and family. We will be praying for you.
